### **EDUCATION SET FOR UNITED IN ORLANDO 2009**

On September 20 – 23, 2009 four national elevator organizations will partner in Orlando, Florida for a jointly sponsored convention and exposition. This program will be a focal point for the North American elevator industry in 2009 and the global elevator community will be invited to participate. The consolidation of these four annual conventions will enhance each association's ability to serve their sector of the elevator industry. Built on the foundation of an exceptional trade show and unsurpassed educational programs, this event will benefit the entire industry.

Canadian Elevator  
Contractors Association

National Association  
of Elevator Contractors

National Association  
Elevator Safety Authorities  
International

National Association  
of Vertical Transportation  
Professionals

“The United Education Committee has done a great job providing us with an extensive educational program offering industry professionals across the board an amazing educational experience.” stated CECA President, Allan Hopkirk. Sessions will cover a multitude of industry related topics, from new technologies to safety issues to business management. Topics will include, but are not limited to:

- *Elevator Preventive Maintenance*
- *Compliance Monitoring of Maintenance Requirements 8.6*
- *A17.6 Suspension Means*
- *Elevator/Escalator Plans for National Disasters*
- *Alternative Testing*
- *Elevator Traffic Analysis*
- *Seismic Zone*
- *Rack & Pinions*
- *NFPA 2005 vs 2008 Comparison*
- *Trends in Existing & Future MRL*
- *Inspecting MRL Installations*
- *Replacement of Hydraulic Power Units and Controllers*
- *Recent Trends*
- *Elevator Modernization*
- *Become a Preferred Sub-Contractor*
- *Sales Training*
- *Job Invoicing*
- *Customer Contracts*
- *Activity Based Accounting, Collections and Small Business Management*

### Agenda Highlights

United in Orlando 2009's first official day of events will be September 20. The events scheduled for that day are the Golf Tournament, Exhibit Set Up, and Educational Sessions. The evening will feature the Presidents' Welcome Reception followed by the Elevator Escalator Safety Foundation's fundraising event. Throughout the remainder of the program, attendees will enjoy the many educational sessions, social functions and networking opportunities. Once the trade show opens its doors, the commitment of the more than 175 exhibitors to this unified program will be evident. Exhibits will be open to the industry September 22<sup>nd</sup> and 23<sup>rd</sup>. The Dinner Dance and Dregs Party are two social experiences everyone will enjoy. If you are involved in the elevator industry, you will not want to miss this monumental event.
